

Advent Book Review - Hallelujah - Journeying through Advent with Handel's Messiah

by Dave & Sally Gobbett - RRP 4.99 St Mary's price £2.99

Maybe you have heard the Messiah, perhaps you have sung in the Messiah, maybe you are planning to come and sing on 6th December 2025, but have you ever stopped to consider the meaning behind those wonderful words and beautiful music. This book is a helpful guide to the Messiah and what it can mean to us today, yes there is some musical terminology but please do not be put off - even if you are not a musician. The words are all from the Bible selected by Charles Jennens, then George Frideric Handel composed the music in a marathon 24 days back in 1741. We have the opportunity to spend two more days than Handel spent - 26 days going through the words of the Messiah (and listening to a recording each day of that section through a link) with Dave & Sally Gobbett helping us to understand the meaning behind the words.

If you are planning to attend the performance of the Messiah on 6th December, or better still if you are planning to join us in singing the Messiah that day, what better way than to prepare by spending those 26 days from 9th November to 5th December reading a section each day. Alternatively, you can use it as your Advent readings from 30th November to 25th December. Or if you really want to make the best of this opportunity why not spend the time in advance each day from 9th November, follow that with the performance of the Messiah on the 6th December, and follow that with going through the book a second time up until Christmas day. Then you can combine all of that with the Advent Study course with three sessions in December and one at Epiphany in January - see the separate sign up sheet in Church for the course - please give your details in Church to order a copy of the book for collection on 9th November.

Eco-Prayer Calendar for November

We praise God for the awesome majesty of the heavens; for advancing technology which allows us to see it in ever greater detail. We pray for scientists, engineers and technicians, for wisdom and insight, that all their work would be towards the greater good and give glory to the One who made it all. "By the word of the LORD the heavens were made, their starry host by the breath of His mouth."

Collect: 4th Sunday before Advent

Almighty and eternal God, you have kindled the flame of love in the hearts of the saints: grant to us the same faith and power of love, that, as we rejoice in their triumphs, we may be sustained by their example and fellowship; through Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever. Amen.

Baptisms and Bring & Share Lunch

There will be two baptisms on Sunday 16th November at 10.30am, of baby Albert (Bertie) Harris, who was recently prayed for by the church family after his very early arrival, and David Harris, who is the son of Michael and Angharad. The families have strong links with the church, the babies' fathers, Peter and Michael Harris, having been choirboys and members of the music group over the years. They would like to invite the church family to stay on after the service on 16th for a Bring & Share lunch as a baptism celebration– everyone welcome!
